If the panel finds that a party has initiated such a meritless and harassing grievance or proceeding, it shall order the offending party to pay the other party a penalty fee of not less than Two Hundred Fifty U.S. Dollars (US\$250) nor more than One Thousand U.S. Dollars (US\$1,000), plus the affected party's reasonable costs in defending the grievance or proceeding, including reasonable attorney's fees. ARTICLE 16 – SANCTIONS

The general sanction provisions of USATF which affect local Associations appear in this Article. Additional regulations appear in USATF Operating Regulation 23.

- A. **Definition:** The definition of "international competition" shall apply to this article and the corresponding USATF Operating Regulation 23. International competition means an athletics competition between one or more athletes representing the United States, individually or as a team, and one or more athletes representing a foreign country (i.e. competitions between national teams).
- B. **Domestic Sanctions:** USATF or its Associations shall have authority to grant sanctions to sports organizations or persons otherwise wishing to hold athletic competitions in athletics that are not international in nature, within the United States.
- C. **Sanctioning Policy:** Unless USATF or an Association determines by clear and convincing evidence that holding or sponsoring an athletics competition (international or domestic) would be detrimental to the best interests of the sport, USATF or the appropriate Association of USATF shall promptly grant a sanction requested by a sports organization or person(s), provided all the requirements of USATF Operating Regulation 14 have been satisfied. The decision as to whether a proposed competition would be detrimental to the best interests of the sport shall be made in the first instance by either USATF or an Association, as appropriate. Approval of sanctions shall not be unreasonably denied. The decision to deny a sanction may be appealed:
 - 1. In the case of a denial by an Association, to USATF, or
 - 2. In the case of a denial by USATF, to the NABR.
- D. **Sanction Requirements:** Sanctions are issued, withheld, or withdrawn in accordance with the requirements and provisions of USATF Operating Regulation 23.
