Date: Sunday June 22, 2025 (Hammer Throw only on Saturday, June 21, 2025)

Location: The 38th Annual NJ International Track & Field Meet, now honoring Elliott Denman, will be on the Monmouth University campus in West Long Branch, NJ (directions: www.monmouthhawks.com).

Teams/Clubs Expected to Attend: In previous years, athletes from 40+ countries have been represented, including a number of Olympians and National Champions. In 2024 and 2023, over 30 athletes advanced from this meet to the U.S. Championships and other international competitions. In 2022, the meet was combined with the USATF Club Championships. This year's meet will include events specifically for youth, open, masters & elite athletes. A big field is expected in 2025.

Meet Entries: Due Thurs. 6/19/'25 by 1 PM. **Please use Athletic.net** for your entries. No additional entries will be allowed after the Thursday 1 PM deadline. If you have questions, please contact Joe Compagni at joecompagni@gmail.com or Dave Friedman at davesac@comcast.net. Field sizes **may be limited in some events**. Please be sure you have a correct e-mail address AND date of birth in athletic.net. We will share an updated schedule on Friday afternoon prior to the meet. Preference will be given to actual verified marks.

Clubs/teams entering their athletes together will pay a maximum of \$400 per team. Men's and women's teams are considered separate (both teams = \$800 total). Packet pick-up and check-in for teams & individuals will be under Kessler Stadium the day of the meet. All individual competitors must sign a waiver and will receive a bib number to compete.

Track Events and Entries (please note changes for 2025):

- Please be as accurate and realistic as possible with your seed times and marks. Use actual times as much as possible.
- All events except the 100 will be finals on time. Track events will go from fast to slow.
- We will host a 1 Mile Community Stroll. Proceeds benefit the Shore A.C. Development Fund (promoting track on all levels), and Pancreatic Cancer Action Network. Participants of all ages may walk, jog or run in this community event to assist these two great causes. Entries for this can be via athletic.net or by check (see above).
- The 5K will be limited to the top 25 entrants per gender. If there is more interest, we may offer a 2nd section. All entrants will be informed if this is the case after entries close.
- Only 1/4 inch spikes or smaller allowed. Pyramid spikes preferred.
- Please bring starting blocks for sprinters. We will have some blocks available.
- Coaches will receive a check-in sheet in your packet upon arrival. Please give us your scratches as soon as you arrive at the meet and we will then set up or adjust heats.
- The check-in area for athletes in track events will be located right next to the track under Kessler Stadium. Please ask your athletes to check in early, listen for calls for their event and follow the order of events. If they do not check in by the final call, they will be scratched. We will release a final revised schedule on Friday after entries close, and we will move up to 15 minutes ahead of schedule if possible.

Field Events (please note changes for 2025):

- **Implements will be weighed in** at the competition site. Please bring implements to the back of the stadium a minimum of 2 hours prior to your event. Masters and high school implements will be allowed. All throwers will get 3 attempts in all events. The top eight competitors using OPEN implements will be advanced to the finals for 3 more throws.
 - All athletes must supply their own implements.
 - Field event athletes should check in with the official at their event area. The shot put will be held in the near corner of the throws field (near the javelin runway).
- The direction of the LJ & TJ will be determined on meet day based on prevailing winds.
- Opening heights will likely be 4' 9" (1.45m) & 5' 10" (1.78m) in the women's & men's high jump; 8' 0" (2.44m) & 11' 1" (3.38m) in the women's & men's pole vault. This is subject to adjustment based on final entries.
