### I. Requirements for Clubs

A. Clubs must be valid registered clubs of USATF-NJ

B. Scoring members of a club must be valid USATF-NJ members and valid members of their club per the USATF National Membership database.

Athletes may belong to more than one USATF-NJ club but may compete for only one of those clubs which has been designated by the athlete in their current USATF membership. During the 90 day period the athlete is free to compete in championships and other races as an unattached athlete. Athletes are solely responsible for designating a USATF-NJ Club with whom they are competing. A change in USATF-NJ club designation can only be initiated by the athlete directly with the USATF National Office and must be done prior to competing.
